HAPPY NEW YEAR! Here comes the 2016 Southern Bay Racing Season!

Braggin' rights 'til Spring belong to *DIABLO, BLUE GHOST, CALLINECTES, AQUARIUS, and TEMPO*, fleet winners of the 2016 DANA DILLON MEMORIAL NEW YEAR'S MADNESS RACE.

It was cold, but not too frigid. There was wind, but not too much. It was cloudy, but not so much as to include rain. All in all, the twenty-one boats that loaded up and went racing on the first day of the new year, did just fine. Of the 21, nineteen (19) finished. The pre-race breakfast at Hampton Yacht Club and the post-race awards party at Old Point Comfort Yacht Club were as good as always. This race is a pursuit race, slower boats start first, that goes from Hampton River, around Hampton Bar, to Mill Creek (about 7 miles). RESULTS (fleet/overall): PHRF A (5 boats) – 1/1. **Greg Cutter**, *Diablo*; 2/2. **Christian Schaumloffel**, *Mirage*; 3/5. **John Blais**, *Stardancer*. PHRF B (2 boats) – 1/8. **Guy Sorensen**, *Blue Ghost*; 2/10. **Rose and Stocky Hobart**, *Pura Vida*. PHRF C (2 boats) – 1/3. **Ben Cuker**, *Callinectes*; 2/4. **Cheryl Merek**, *Whiskey Girl*. PHRF Non-Spin (4 boats) – 1/9. **Mike Tate**, *Aquarius*; 2/13. **Greg Watt**, *Incorrigible*; 3/14. **Dave Lively**, *Lively Lady*. CRUISERS (6 boats) – 1/11. **Jonathan Romero**, *Tempo*; 2/12. **Jim Forester**, *Anjalei*; 3/15. **Tim Etherington**, *Wine Down*. Event Chairman: Mark Wolfe; Start Line (HYC): John McCarthy; Finish Line (OPCYC): Bob Williamson. Complete results are posted at <http://hamptonyc.com/yachting/racing/2015-phrf-racing-results/> (scroll to the bottom of the events list) and at <http://www.opcyc.org/?q=node/1880>.

Time to get your racing brain in gear and have some fun doing it!

Word is that NOAA has updated their new Chesapeake Bay charts to show the position of Wolf Trap Light as an abandoned lighthouse. Be aware that various Bay racing events will have to decide how they want to deal with that, so be sure to read those Notices of Race and Sailing Instructions carefully. Also,

BEWARE. Being classified as an abandoned lighthouse does not make the structure any softer, especially in the dark.

The Oracle America's Cup Team spends time on the one-man **foiling Moth boats** to sharpen individual skills. One of our southern Bay notables, Joe Bousquet, was one of the first Moth-ers on the Bay to turn to the foiling version. He built one in his kitchen. The project involved a long several months sacrifice (of her kitchen) for which Joe's wife Susan has been recognized as being on the verge of "saintly." Scuttlebutt News, Issue 4487, December 23, 2015, reminded everyone that the 71st running of the **Sydney Hobart Yacht Race** was scheduled to start on December 26th, the day after Christmas. And, *Scuttlebutt* said, "As the 71st edition of the Sydney Hobart Yacht Race prepares to start on December 26, a weather forecast for strong winds brings back memories from one of the most horrific storms in yachting history." *Scuttlebutt* provided a link to a video from the unforgettable 1998 race.
