## **Southern Bay Racing News You Can Use # 973** April 6, 2020

*SBRNYCU* is an independent weekly publication of southern Chesapeake Bay racing happenings.

Founded in April, 2000. Lin McCarthy, Editor

*Try sailing - it's NOT easy!* - Bill Schanen, [SAILING Magazine](#)

**NEW COVID-19 RACE FORMAT.** Complies with most gubernatorial edicts and some measures of ration. Use your current Sailing Instructions amended as follows: Proposed Sailing Instructions Amendment #1:

- Each regatta entry shall tow behind his/her vessel one trolling lure on the end of 50 feet of 20lb test line. Lure and line to be provide by the entrant. The lure and line shall be consider part of the boat in its normal racing condition. Entanglements with marks or other racers shall be resolved under the normal rules of racing.
- For any fish caught during the race, the catching vessel's handicap for that race only shall be adjusted upwards at a ratio of 1sec/mile per 1 pound of fish caught. Official scales for weighing shall be provided on shore.
- Fishing is considered an allowed activity under the current restrictions...

D. Gibbings is the visionary of the new format and when asked about his source of inspiration, replied, *"It takes a barracks lawyer to beat a barracks governor."*

**MURPHY'S LAW:** *Yrs Truly, the Racing Beagle*, had previously landed the Easter season part time job of all jobs. The Murphster was assigned to put the chocolate bunnies in the Easter baskets. The Big Bunny has a policy that the basket-fillers get to keep the broken pieces of candy. You see where this was going. But, because of the virus, the chocolate bunnies are going in the baskets directly from the candy machine, untouched by "others". The Murphster has put in an application for candy-bowl-washer. I signed my resume, "Fastest Licker in the East"! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
