**RACING, RAINBOWS, and THUNDERSTORMS serve to make 2020 CCV Moonlight Triangle Race “unforgettable”.** The huge thunderstorm was over Norfolk Saturday night and Dixon Wilde, skipper of *Kingfisher*, got the picture of the double rainbow as he and crew navigated “. . . a 90 degree wind shift and increase to about 18 knots, from about 7.” The C&C 99 won the PHRF Non-Spin class of the evening race off the shore of Hampton's Buckroe and North. Andy Armstrong's *Virginia H III*, was the only PHRF A boat to finish the A course of 30.1 nm. An unexpected thunderstorm south of the 1<sup>st</sup> mark had accompanying winds that played havoc with the set course. It was reported the boomer had winds strong enough that they broke *Myrage's* boom (Chris Schaumloffel's Hobie 33). The 30.7 nm course was set for PHRF A; 21.7 nm for PHRF B/C; and 14.8 nm for PHRF Non-Spin. After that gust, light wind was the challenge. However, 10 of the 15 starters finished the race by 0155.

RESULTS: PHRF A (4 boats): 1. *Virginia H III*, **Andy Armstrong**; PHRF B/C (6 boats): 1. *Rumble*, **Ben Weeks**; 2. *Wham Bam*, **Dave Taylor**; 3. *Callinectes*, **Ben Cuker**; PHRF Non-spinnaker (5 boats): 1. *Kingfisher*, **Dixon Wilde**; 2. *Seeker*, **Alan Johnson**; 3. *Tilt*, **Cliff Porter**. Principal Race Officer: Greg Cutter; Scorer: Carrie Cutter; Signal Boat: Dave McConaughy and Sue Kessler. *Low Country*. **In Fiddlers Green - Brooks Zerkel** . If you are a Chesapeake Bay racer, you most likely know **Brooks Zerkel**, if not by name, by sight. Pleasant to the *nth* degree and always earnest, Brooks administered and helped administer racing events the length of the Chesapeake Bay as well as some such as Southern Bay Race Week, Screwpile Lighthouse Regatta, and Charleston Race Week. Brooks was always around where the work was to be done. After a recent terrific, health-related struggle, Brooks passed peacefully in the hospital in Richmond. Many racers will miss him. May he Rest in Peace and may his wife Barbara take solace in how vast was the respect felt for her lovely husband. He had many friends and many, too, are thankful for the better memories and experiences he shared with them. Brooks passed from us on July 3, 2020.

**A good deed.** When southern Bay racer, **Scott Almond**, started gathering up used Sunfishes earlier this summer, friends thought he was going to become a *coureur de bois* and open a “side hustle” dealership. But, no. Scott has been ferrying the individual Sunfishes to a site near Wakefield where some youthful sailors will be learning to sail. Scott will be teaching and when the sessions are over he’ll return the boats and tackle to the rightful boat owners. KUDOS!

**MURPHY’S LAW:** *Yrs Truly, the Racing Beagle*, was on the rail for the ride up the last leg of the moonlight race this weekend. Among my cohorts on the rail with me, a discussion of the hardships of *practice* came up. This is the question posed: *If practice makes perfect, and nobody is perfect, then why practice?* We were silenced until the tack! /S/ *Murphy the Racing Beagle, the sailing spirit in us all.*
